

**THE COOPERATION AGREEMENT  
BETWEEN  
HARBIN ENGINEERING UNIVERSITY  
AND  
FACULTY OF INTERNATIONAL STUDIES  
PRINCE OF SONGKLA UNIVERISTY**

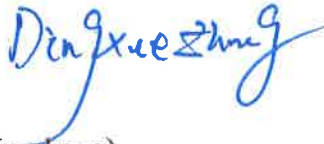

Through a friendly discussion, Harbin Engineering University (hereafter called HEU) and Faculty of International Studies, Prince of Songkla University, Phuket Campus (hereafter called FIS PSU) reach the following agreement regarding partial scholarships for FIS PSU students studying at HEU.

1. HEU will provide a scholarship for approximately 10% of FIS students (from the BBA in International Studies and BA in Chinese Language and Culture programs), based on the total number taking courses at HEU at a time. The number of courses and credits for each course will be determined through discussions between the two universities before each study program. Additionally, those who demonstrate outstanding academic performance and results may be considered for the MA scholarship program offered by HEU.
2. Duration of the study program will be around 4 months (1 semester) starting in the second semester each year.
3. HEU will arrange on-campus accommodation with 2-4 people per room. The rate is 400 RMB per person per month, excluding water and electricity costs (approximately 120 RMB per month). FIS PSU will pay for the accommodation.
4. FIS PSU students will pay a medical insurance fee of 400 RMB per person, which will cover the duration of their study at HEU.
5. Upon the arrival and leaving of PSU students and staff, HEU will arrange the pick-up and drop-off services.
6. This agreement shall be effective for five (5) years (2025–2029) from the date it is signed by both parties, and is renewable, subject to an annual performance review. Termination requires a written notice from either party at least one month in advance.

7. Any other issues not mentioned here will be agreed upon through friendly discussions between HEU and FIS PSU.
